Organizational Summary:

Conservation Legacy is a nationwide non-profit. The Corps programs within the organization engage participants in diverse conservation and community projects that benefit public and private lands. These projects provide opportunities for personal and professional development and strive toward a high priority of needs for public land managers and community partners. Through the mission of engaging future leaders who protect, restore and enhance our nation's lands through community-based service; Conservation Legacy works toward a world with healthy lands, air and water; thriving people and resilient communities.

Program Summary:

The Southeast Conservation Corps (SECC) is a non-profit service organization built on the legacy of the Civilian Conservation Corps (CCC) that operated from 1933-1942. SECC provides recent-era military veterans, young adults, and teenagers opportunities to complete conservation projects on public and private lands throughout Tennessee and the Southeast region. While serving with SECC, members learn natural resource management practices and teamwork through completing high quality projects such as prescribed burning, fuels management, land restoration, trail construction, and invasive plant management. Programs are structured using a stepladder approach to provide a progression of development related to personal, professional, and project skills. SECC operates field programs nearly year-round from January – November, with the peak season being January – August. During peak season, up to 10 crews can run simultaneously. SECC engages approximately 120 members per year throughout youth, adult, and veteran crews, as well as internships.
